Preparing to soar

# IT'S SPRING & THE HATCHLINGS ARE BACK!

## What are The Hatchlings?

The Hatchlings is a playgroup and Early Childhood PTA for neighborhood families with children 0-5 years old in the Skyview feeder pattern (see map below). The Hatchlings provide our community with an opportunity to meet neighbors, make friends, and to get to know our neighborhood school. The Skyview PTA has many exciting Hatchling events planned in the coming months for families with preschool age children.

We look forward to meeting you. Visit us at [facebook.com/groups/SkyviewHatchlings](https://www.facebook.com/groups/SkyviewHatchlings) for event details and to RSVP.
